

Walking Without A Direction

The Life I Was Living Was Moving So Fast
Time Went By Now Seems Like Everything Is In My Past
I Destroyed Friendships And Great Bonds For This Life
I Amounted To Nothing While Living This Life
I'm Book And Street Smart Nothing Could Stop Me
But The Sounds Of A Girl Calling Saying "Come Sex Me"
I Gave Up School Just To Live Wrong
I Gave Up Hope Just To Write A Single Song
I Have Been Over-Powered And Puppet Mastered For Several Years
Time To Rewind Time And Prove That I'm Somebody To My Peers
God Gave Me Talents And I Be Damn If I Don't Use Them
You Are Who You Are....I Am Who I'm Suppose Be...
Breonte L. Hackley Is The Only Person I Need The World To See
Stop Comparing Breonte To CrazyWearTae
Thats My Not Me Thats Just My Stage Name
I Refuse To Live A Life That I Wasn't Suppose To Be Living
The Things I Did In My Past Can Never Be Unforgiving
So Chase Your Dreams Don't Chase Failure
Cause Once You Fall Too Deep You Can't Escape The Fire
Just Waiting For My Redbone Boo To Give Me The Chance
I Got Alot To Prove To Be Considered Next
This Life This Life It's Destroying My Personal Life
I Can't Keep Basing Everything Off The "SweizyLife"
